Ryan's Qualifications

4. Ryan is a leading global tax services firm that provides a wide variety of tax advisory and consulting services. One of Ryan's specialties is minimizing the royalty liability of oil and gas companies. Ryan is providing or has provided these services to a number of E&P industry debtors during their chapter 11 cases. *See, e.g., In re Alta Mesa Resources, Inc.*, No. 19-35122 (MI) (Bankr. S.D. Tex. Oct. 21, 2019) (Docket No. 373) (order authorizing the employment and retention of Ryan, LLC as an ordinary course professional); *In re Sanchez Energy Corp.*, No. 19-34508 (MI) (Bankr. S.D. Tex. Oct. 8, 2019) (Docket No. 443) (order authorizing the employment and retention of Ryan, LLC as an ordinary course professional); *In re PetroQuest Energy, Inc.*, No. 18-363322 (DRJ) (Bankr. S.D. Tex. Jan. 20, 2019) (Docket No. 432) (order authorizing the employment and retention of Ryan, LLC as tax and financial consultant).

5. For these reasons, I believe that Ryan is well qualified and uniquely suited to act as tax consultants to the Debtors.

Scope of Services

6. Prior to the Petition Date, the Debtors and Ryan entered into the Engagement Letter, which governs the relationship among them. The terms and conditions of the Engagement Letter, as set forth below, were negotiated at arm's length and reflect the parties' mutual agreement as to the efforts and resources that will be required in connection with Ryan's engagement. The Engagement Letter provides that Ryan will assist the Debtors with minimizing

their federal oil and gas royalty liability. The services to be provided include, but are not limited to:

Retrospective Savings:

- Recalculation of the oil and gas transportation allowances in order to reduce the value subject to royalty;
- Recalculation of the gas processing allowances in order to reduce the value subject to royalty; and
- Royalty credits associated with reporting and other compliance issues (collectively, the “**Retrospective Savings Services**”).

Prospective Savings:

- Calculation of the monthly non-arm’s length oil and gas transportation allowances in order to reduce the value subject to royalty;
- Annually perform a recalculation of the non-arm’s length oil and gas transportation allowances; and
- Prepare and submit ONRR-2014 (Report of Sales and Royalty Remittance Form) amendment (collectively, the “**Prospective Savings Services**”).

2016 Rule Advisory Services:

- Research the potential impact of the 2016 Rule on the Debtors;
- Facilitate meetings between Ryan and the Debtors around the 2016 Rule; and
- Advise the Debtors with the preparation of any necessary prior period adjustments to the ONRR-2014 (collectively, the “**2016 Rule Advisory Services**” and, together with the Retrospective Savings Services and the Prospective Savings Services, the “**Services**”).

7. Ryan has substantial experience in all of the areas for which it is to be retained. Accordingly, I believe that Ryan is well qualified and best suited to perform these Services.

No Duplication of Services

8. The services provided by Ryan will complement, and not duplicate, the services to be rendered by any professional retained in these chapter 11 cases.

Professional Compensation

9. Ryan will be paid by the Debtors for its Services in accordance with the terms and conditions set forth in the Engagement Letter (the “**Fee Structure**”). The Fee Structure is best characterized as a contingent fee arrangement that compensates Ryan based on the amount of refunds, credits, and liability reductions realized by the Debtors. The Debtors request approval of the Fee Structure, which is described in the Engagement Letter as follows:

Retrospective Savings:

1. **Non-Adjudicated Claims:** In the event Ryan obtains any royalty refunds, credits, or liability reductions for [Debtors], [Debtors] agree to pay Ryan [REDACTED], the appropriate percentage, [REDACTED] of any such reductions that [Debtors] receive:

[REDACTED]

In addition, [Debtors] agree to pay Ryan such fee as outlined above, for [REDACTED] adjustments to a federal royalty account [REDACTED] applicable to the audit period. [Debtors] agree that Ryan’s fees shall be based upon the [REDACTED] and shall not be reduced by any existing liabilities of [Debtors] that may be applied or offset against such amounts. If [Debtors] obtain any royalty refunds, credits, or reductions for any other locations or affiliated entities applicable to the audit period using Ryan work products, [Debtors] agree to notify Ryan and pay Ryan as outlined herein.

2. **Adjudicated Claims:** In the event of any litigation or other adjudication of any claims or issues (an “**Adjudication**”), [Debtors] agree that Ryan has the right to engage legal counsel to represent [Debtors] at Ryan’s expense, subject to [Debtors’] approval. [Debtors] further agree not to unreasonably withhold such approval. In the event Ryan obtains any refunds, credits, or reductions as a result of an Adjudication, [Debtors] agree to pay Ryan [REDACTED] the appropriate percentage [REDACTED] of any royalty refunds, credits, or reductions [Debtors] receive as a result of the Adjudication,

[REDACTED] Our fee for the savings recovered in an Adjudication will be invoiced on the date in which a final, non-appealable judgment is obtained in the Adjudication.

3. Follow-On Claims: In the event Ryan obtains any refunds, credits, or reductions as a result of an Adjudication, and, within the following twelve (12) production months [Debtors] receive any royalty refunds, credits, or reductions in connection with other transactions due to substantially the same legal issue(s) as matters resolved in favor of [Debtors] in the Adjudication, [Debtors] agree to pay Ryan [REDACTED]

[REDACTED] the appropriate percentage, [REDACTED], of any royalty refunds, credits, or reductions, [REDACTED] through the date in which a final, non-appealable judgment is obtained in the Adjudication, regardless of whether obtained by Ryan.

Prospective Savings:

[Debtors] agree to pay Ryan and hereby assigns to Ryan, as compensation for this service, [REDACTED]

[REDACTED] Ryan's invoice for Prospective Savings received or realized by [Debtors] will be invoiced at the time the original royalty report is filed.

[REDACTED]

[REDACTED]

[REDACTED]

11. I believe the Fee Structure is consistent with, and typical of, other compensation arrangements entered into by Ryan and other comparable firms for similar services under like circumstances. Thus, I believe that the Fee Structure is reasonable, market-based and designed to fairly compensate Ryan for its work during these chapter 11 cases.

12. Ryan has secured for the Debtors refunds, credits, and/or reductions prior to the Petition Date. As a result, Ryan has a scheduled claim of \$486,324 for Services rendered prepetition.

Ryan's Disinterestedness

13. Ryan, a Delaware limited liability company, refers to the global organizational network and may refer to one or more of the member firms of Ryan International, each of which is a separate legal entity. Ryan is an award-winning global tax services and software provider, and the largest such firm in the world dedicated exclusively to business taxes. With global headquarters in Dallas, Texas, Ryan provides an integrated suite of federal, state, local, and international tax services on a multijurisdictional basis, including tax recovery, consulting, advocacy, compliance, and technology services. Ryan's multidisciplinary team of more than 2,800 professionals and associates serves over 17,000 clients in more than 60 countries around the world, including many of the world's most prominent Global 5000 companies.

14. In connection with its proposed retention by the Debtors in these chapter 11 cases, Ryan undertook a review to determine whether it had any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to the Debtors. Specifically, Ryan obtained from the Debtors and/or their representatives the names of individuals and entities that may be parties in interest in these chapter 11 cases (**"Potential Parties in Interest"**).³ A search was performed for connections to the Potential Parties in Interest. Based on that review and search, Ryan represents that, to the best of its knowledge, Ryan knows of no fact

³ The Potential Parties in Interest searched by Ryan are substantially similar to the Potential Parties in Interest disclosed at Docket No. 407. The Potential Parties in Interest searched by Ryan, however, includes Chaffe McCall LLP, McGuire Woods LLP, and Milorad Raicevic.

15. To the best of my knowledge, information and belief after reasonable inquiry, other than as disclosed in this Declaration, neither I, Ryan, nor any of our other professionals or employees participating in or connected with Ryan's engagement with the Debtors: (i) have any connection with the United States Trustee, any employee in the Office of the U.S. Trustee, or any United States Bankruptcy Judge for the Southern District of Texas; (ii) are direct holders of any of the Debtors' securities; (iii) have been retained to assist any entity or person other than the Debtors on matters relating to, or in direct connection with, these chapter 11 cases; or (iv) have any connection with or hold or represent any interest adverse to the Debtors, their estates, their creditors or any other interested party or their respective attorneys in the matters on which Ryan is to be retained. In addition, I do not believe that any relationship that Ryan, or any of our professionals or employees participating in or connected with Ryan's engagement with the Debtors may have with any interested party in connection with any unrelated matter will interfere with or impair Ryan's representation of the Debtors in these chapter 11 cases.

16. In accordance with section 504 of the Bankruptcy Code and Bankruptcy Rule 2016, neither I nor Ryan have entered into any agreements, express or implied, with any other party in interest, including the Debtors, any creditor, or any attorney for such party in interest in these chapter 11 cases, (a) for the purpose of sharing or fixing fees or other compensation to be paid to any such party in interest or its attorneys for services rendered in connection therewith, (b) for payment of such compensation from the assets of the estates in excess of the compensation

allowed by this Court pursuant to the applicable provisions of the Bankruptcy Code, or (c) for payment of compensation in connection with these chapter 11 cases other than in accordance with the applicable provisions of the Bankruptcy Code.

17. Based on all of the foregoing, I believe Ryan is a “disinterested person” as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code.

18. If Ryan discovers additional information that requires disclosure, Ryan will promptly file a supplemental disclosure with this Court as required by Bankruptcy Rule 2014. Ryan reserves the right to supplement this Declaration in the event that Ryan discovers any facts bearing on matters described in this Declaration regarding Ryan’s employment by the Debtors.

Motion to Seal

19. I believe that Ryan’s fee arrangement information contained in the Engagement Letter (the “**Protected Information**”) falls within the scope of commercial information that may be protected by the Court pursuant to section 107(b)(1) of the Bankruptcy Code and Bankruptcy Rule 9018. If the terms of Ryan’s compensation were publicly disclosed, competitors could use the information to unfairly benefit by soliciting work from Ryan’s clients at a lower cost. Disclosure of the Protected Information would also put Ryan at a distinct competitive disadvantage by constraining its ability to negotiate fees in future engagements. In addition, Ryan is currently a plaintiff in a lawsuit filed in Harris County District Court, State of Texas (the “**Texas Lawsuit**”), where it is alleged a direct competitor of Ryan improperly obtained Ryan’s confidential and sensitive fee arrangements to solicit work from Ryan’s clients at a lower cost. The consulting services involved in the Texas Lawsuit are the same services for which the Debtors seek to retain Ryan in this case. Therefore, I believe that permitting the Debtors to file the Ryan Retention

Application under seal would greatly reduce the risk that competitors could use Ryan's fee arrangement with the Debtors to gain an unfair competitive advantage over Ryan.

20. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
